The image displays a collection of onboarding resources. At the top is a screenshot of the 'enboarder' 'Experience-Driven Virtual Onboarding Template', which is a grid of various onboarding tasks and steps. Below this is a 'New Hire Onboarding Checklist' with a detailed list of tasks such as 'Establish expectations for handoff from recruiting to hr / manager', 'Welcome message from direct manager', and 'IT orientation'. To the right of the checklist is a 'New Hire Onboarding Checklist' section with a 'Contact' note and a 'Have an idea or something to add?' prompt. At the bottom is a video player showing a webinar titled 'Virtual Onboarding from Enboarder' featuring Amazon's Kate Pavlina and Sundt's Jon-Paul Jaramillo. The video player includes a play button, a progress bar at 39:19, and the Vimeo logo.
